# Prime Lab Petratides

PrimeLab Petratides is more than a brand — it's the result of a lifelong obsession with the stars, a deep respect for Earth's rarest elements, and an unwavering pursuit of authenticity.

Founded and powered by INNOVA CONSULTING MARKETING LLC, our story began not in a studio, but in the wild — across wind-swept deserts, snow-covered forests, and the forgotten corners of the planet where the universe has left its mark.
